Jesus healed many who were suffering from diseases.

A reading from the holy Gospel according to Mark (1:29-39)

*A*s soon as Jesus left the meeting place with James and John,

They went home with Simon and Andrew.

When they got there,

Jesus was told that Simon's mother-in-law was sick in bed with fever.

Jesus went to her.

He took hold of her hand and helped her up.

The fever left her, and she served them a meal.

That evening after sunset,

others who were sick or had demons in them were brought to Jesus.

In fact, the whole town gathered around the door of the house.

Jesus healed all kinds of terrible diseases and forced out a lot of demons.

But the demons knew who he was, and he did not let them speak.

Very early the next morning Jesus got up and went to a place where he could be alone and pray.

Simon and the others started looking for him.

And when they found him, they said, "Everyone is looking for you!"

Jesus replied, "We must go to the nearby towns, so that I can tell the good news to those people. That is why I have come."

Then Jesus went to Jewish meeting places everywhere in Galilee, where he preached and forced out demons.

This is the Gospel of the Lord. *Praise to you, Lord Jesus Christ.*
