In 2008 Westminster Cathedral launched a major funding appeal to restore and maintain the Cathedral. The Friends Society is proud to be involved in this campaign. By joining the Friends you will help us to reach our £3 million target and be part of a society that actively promotes and supports the Cathedral. As a Friend you will receive regular updates on news and events here at Westminster. The society has an active social calendar that includes dinners, tours and talks from interesting speakers. Get involved and help us to uphold the Cathedral's sacred place at the heart of the community.
