

Westminster Cathedral Volunteer Registration

I am interested in volunteering to help at Westminster Cathedral and willingly supply information that you require. I understand that my name, address and telephone number will be held on your computer files for retrieval purposes but that everything else on this form will remain completely confidential and securely filed. I am aware that for certain roles it may be necessary to conduct a DBS check of Police records to comply with requirements of the Children Act 1989 and Diocese Safeguarding measures.
